Anglophone East and Marshview Middle School would like to respectfully acknowledge that we gather on the unceded, traditional territory of the Mi'kmaq people. In the spirit of peace and friendship, we express gratitude for the history, culture, rights and traditions of the Mi'kmaq people and we commit to reconciliation through education and honouring those that were here before us. We are proud of our work towards reconciliation and are so thankful for the partnerships we have made, learning from our indigenous neighbours at Fort Folly and welcoming teachings throughout the year.

Grade 8 students in Ms. Harpur's class made bracelets this week, bonding as a team and creating a classroom who works together and looks out for each other! Way to go!
