Friday October 14, 2022

We hope you had a great thanksgiving and were able to unwind and relax this past weekend. Short weeks at school always throw us for a loop remembering what day it is and what classes we have....and then seemingly out of nowhere Friday arrives. As always, it was jam packed with learning experiences!

## Engage is Rolling!

Wednesday brought week 2 of our engage program and students are having a ball with their chosen activities and sessions. It is an amazing thing to walk around the school and see our students grade 5 through 8 working together on common goals. Projects are beginning to take shape and we can't wait to see what everyone accomplishes over the next 8 weeks. We love to connect with our community and change the landscape of learning!

## 21<sup>st</sup> Century Learning Tech Skills

Students in Mme. Collette and Mme. Duhaime's class learned how to use One Note to create a writing portfolio on Office this week. They also experimented with Clips (a digital poster/video creator) and created their own memes. They had a lot of fun!

## Pops Concert at Mount Allison

On Thursday, our whole school had the opportunity to head to Mount Allison's

Convocation Hall to listen to the Pops Concert. We are so appreciative of these types of experiences for our students. Being able to sit at the symphony with our friends and classmates is an exceptional experience.

Many of our students reported enjoying hearing Pirates of the Caribbean! We were proud of our students for their behaviour and attentiveness. Thank you to the department of music for the invite!

Congratulations to our students in 6AL who were the recipients of the GOLDEN GARBAGE CAN given out monthly to the cleanest classroom!

## BE a KIND HUMAN Speaker Series!

With Marshview Middle School's 'Be a Kind Human' Speaker Series, we celebrate diversity, welcome inclusion, hold space for tough conversations, hold each other up, and simply learn to be kinder humans as we listen with open hearts and mind to different invited guest speakers as they share their ideas and experiences with us.

Our vision for Marshview is to provide diverse learning opportunities for all – and coming together once a month to learn from community organizations about real-world issues makes us proud.

Check out our great lineup for the fall...

**SEPTEMBER:** Overcoming Adversity Motivational Speaker Mark Black

**OCTOBER:** Cross Roads for Women – Ashley Hall (17<sup>th</sup>)

**NOVEMBER:** Ensemble's Sarah Doiron (22<sup>nd</sup>)

**DECEMBER:** Child and Youth Team Psychologist Erin Atkinson (14<sup>th</sup>)

## Thank you!

We are so thankful to the Grocery Foundation who donated \$1300 to our school's student nutrition program! These funds were raised during the 2022 Toonies for Tummies campaign at our **local Foodland Store** in Sackville! Thank you so much to our community and to foodland who support our students!

## SMILE 😊

Picture day has been rescheduled for October 26<sup>th</sup>

## SOCCER

Despite a hard fought effort, the MMS soccer team came up short in Magnetic Hill on Wednesday. They will look to rebound when they play Shediac Cape at home on Mon and Maplehurst on Wed! Come out and watch our Marshview Athletes! Game time 3:45 on the Lorne Street Field.

## CROSS COUNTRY

Our Cross Country Runners are still at it, running after school on Tues and Thurs!

We are sending them heaps of good luck as they head to the District Championship this week!
